Why Venkat Charmalaya for hair transplantation?

Our centre has done over 2000 hair transplants, and in different types of patient, different areas and repeat transplants. We perform all types of hair transplants such as FUT, FUE, and Body hair and have a large pool of satisfied clients.

Hair transplant surgery is a surgery totally dependent on surgical skill, hand eye coordination, sense of aesthetics and concern for minor aspects and refinements. This needs trained, experienced staff. Our team leader Dr.Venkataram Mysore is a foremost authority on the subject and is a pioneer in hair transplantation-recognised internationally. He is the president of Association of Cutaneous Surgeons India, Association of hair restoration surgeons, and chairman of Assembly of national aesthetic societies. He has been awarded FRCP from Royal College of Glasgow, and recognised as an international mentor from American Society of Dermatosurgery. He is the member of taskforce on Finasteride and training, International Society of hair Restoration surgeons. He has travelled around the world for lectures and conferences and is the author of a large number of articles, textbooks. Our centre is accredited by Rajeev Gandhi University of health Sciences for postgraduate fellowship training.
